Engineering Science

We are very pleased that you have been offered a place at St Hilda's to read Engineering Science and look forward to welcoming you in October. We hope that you will enjoy your time at Oxford.

We do not send out a list of suggested readings at this stage. However, in August the Department will be sending you some revision material and a general information pack.

Please do not hesitate to contact me if you require any further information about any other aspect of the course.

Yours sincerely,

Dr Dave Howey and Dr Daniel Bulte

Fellows and Subject Tutors in Engineering Science
