

ARRANGEMENTS FOR NEW STUDENTS AT THE START OF MICHAELMAS TERM 2025

This programme lists the official College events that are organised for new students in yellow, and the Junior Common Room (JCR)-organised events in blue.

Please note that the activities shown with a thick border and asterix are compulsory; other activities are optional but all are designed to be useful to you in settling in to College academically, socially and domestically. All events run to a tight schedule, so please arrive promptly.

Students should also regularly check their email and pigeonholes in the Porters' Lodge for notices from subject tutors. There will also be meetings organised by your department/faculty which you must attend.

Meetings with tutors or department/faculty inductions take precedence.
