Registering with Banbury Road Medical Centre GP Services

Welcome to Oxford!

We look after four of the university's colleges, these being Lady Margaret Hall, St Hilda's, Jesus College and Wolfson. Your College Doctors are Dr Tony Maddison, Dr Tom Hutchinson and Dr Cathy Aylward.

We strongly advise you to register with our surgery using the link below, submitting before you arrive in Oxford:

[GP Registration Online \(campusdoctor.co.uk\)](http://campusdoctor.co.uk)

Appointments can be booked via our patient services team on 01865 515731 and you can be seen at your college during term time, or you will be invited to the surgery outside of term time. Our patient services team may ask you some questions when booking you an appointment: don't worry, it's completely confidential, it's just so we can make sure you are directed to the correct clinician.

You will need to be registered with your college general practitioner if you require a medical certificate at any time. Please note that these can take up to 5 working days for completion.

Below is some useful information from the university's website:

[Doctors and nurses | University of Oxford](#)

[Health services | University of Oxford](#)

[Medical evidence and certificates | Academic Support \(ox.ac.uk\)](#)

[Student support and experience | Academic Support \(ox.ac.uk\)](#)

[Oxford University Students - Banbury Road Medical Centre \(banburyroadmc.nhs.uk\)](http://banburyroadmc.nhs.uk)

We hope you have an enjoyable time in Oxford!
