

ST HILDA'S COLLEGE, OXFORD UNIVERSITY
Graduation In Absentia - Application Form
(Historic Graduand)

Current Oxford University students have priority booking of degree ceremonies in the year they take their final examinations. At the end of Michaelmas Term of their final year, current students are invited by the University to book a place at a degree ceremony the following summer, using the eVision online booking system. Students are offered the option to graduate in person or in absentia.

Former Oxford University students (also known as historic graduands), who wish to graduate in absentia may ask the College to enter their name into the next available degree ceremony by completing this form. Names of those who wish to graduate in absentia are submitted to the University 15 days prior to the degree ceremony date. There is no fee for taking your degree in absentia. Degree certificates will be posted to the address supplied on this form.
